## ACKNOWLEDGEMENT

This textbook would not have been possible without the financial support of Textbook Development Project of Faculty of Liberal Arts and the Administrators of Huachiew Chalermprakiet University. We are grateful to them for granting a fund for us to complete the book.

A special thank goes to Asst. Prof. Areeluck Harnmontree and Mrs. Derey Nanquil Panes for their contribution for proofreading the text until it has been completed.

Our gratitude goes to our students of Analytical Reading in English. We are also grateful to all of those who are going to use it and give us comments as guidelines for a better revision.

Finally, we would like to express our sincere appreciation to the authors whose work and ideas we have used to produce this book. Also, thank you all teachers who used to teach us and our heartfelt thank to our family for continuous support and understanding.

## PREFACE

The objective of this book is to provide strategies from reading comprehension to analytical reading for students majoring and minoring in English who need to read effectively for their success in university learning. Also, this book is appropriate for general public who wish to improve their reading skill.

The book covers various reading strategies that can enhance analytical reading skill, starting from basic strategies, e.g., reading for main ideas, and reading for details, to the more complicated strategies, e.g., analysis of writing elements and structures of news, editorials, opinion and argumentative essays. A number of examples illustrated in this book are compiled from various resources and of various topics concerning Thai, Asian, and world contexts in order to help expand the reader's knowledge.

We would like to express our sincere appreciation to the authors we use their works and ideas to produce this book. Our special thanks are also given to our EG 2033 students for a trial use of this textbook. Last but not least, we are very grateful to the committee of Textbook Writing of Faculty of Liberal Arts and Huachiew Chalermprakiet University for granting a fund for us to complete the book.
